

## **Tweedsmuir Ski Club 2012 Annual General Meeting**

**November 28 - 7 PM SAM School**

We had a turnout of 9 people at our TSC AGM held Wednesday night in Bella Coola. The financial situation of the club was reviewed and noted we had approximately \$10,000 in the bank at the end of October 2012, enough to finish the cabin and provide a contingency for unexpected repairs, but we will need to continue to seek funds from members to keep all the facilities safe and updated.

The major projects needing work at the overnight cabin are the outhouse, cleaning and varnishing the walls, building and installing counter, sink and cabinets, sourcing bunk beds, tables and chairs. A work party is being organized for December 9<sup>th</sup>, please let one of the directors know if you would like to help.

If snow levels are adequate the tentative first day at the ski hill will be Sunday Dec 23 and Kerry Boileau is organizing another very fun – Fun Day because last year's was so successful.

The cross country trail groomers have the old road tracked and are waiting for the new trail track setting mechanism and track setter to be built. Conditions have been good on the old road.

A date was picked for the annual Cross Country Ski Race – it will be Sunday March 3, 2013

Thank you to everyone who continues to support the TSC financially, by using our facilities and turning out for work parties.

David Flegel – Director of Communications
