

Tweedsmuir Ski Club 2014 Annual General Meeting

November 26 - 7 PM SAM School

We had a great turnout (16 people) at our TSC AGM held Wednesday night in Bella Coola. The financial situation of the club was reviewed. We had approximately \$15,000 in the bank at the end of October 2014. We are facing a major expense with the purchase of the new cross country grooming apparatus and several years of Park Use Permit fees that BC Parks has not invoiced us for. We were fortunate in 2014 after the loss of our long time and second only President Ken Corbould that his estate made a large donation to be used at the Club's discretion.

There are still a number of projects needing completion at the overnight cabin.

1. Clean up of all logs around the cabin grounds.
2. Flashing on woodshed roof to wall needs installing.
3. Stairs and outside trim completion.
4. Deck roof supports and railings.
5. The outside of the building needs to be cleaned up and Permachinked.

The cross country trail groomers have the old road tracked and have been skiing since early November. A lot of work was done on the trails this year to eliminate brush, construct stream crossings and move the trail off lakes. It should result in earlier skiing, and less getting stuck by the groomers. The cross country ski race will be on March 1, 2015.

No major work was done on the ski hill this year. The electrical system was left in good shape last year. The members discussed a policy for using the hill on non-scheduled days by trained lift operators. The policy decided on was;

Non Scheduled Ski Hill Use - the operator who plans to use the hill must notify the President and commit to the full day (10 – 3:30). The President will advise members of an opportunity to use the hill via email. The lift operator is responsible to collect either \$75 in lift fees or if there are not enough customers to reach \$75 pay the full amount or the difference themselves. The operator will bring out any empty fuel cans and advise the President.

We hope to have some sort of fun event in January or February as it is the 50th anniversary of the Tweedsmuir Ski Club.

David Flegel was appointed President of the Ski Club and the other directors retained their directorships. We have room for more directors if someone has in interest.

David Flegel – President
